YOUR CUSTOMERS EXPECT MORE, SO SHOULD YOU.

Foodservice sales in the convenience store industry continue to grow and show no signs of slowing down. With this growth, comes the challenge of controlling costs, proper food safety and a sanitary store environment. At San Jamar, we understand the challenges you face. It's all critical to operating smarter and more profitably. Our expertise in Convenience store and foodservice environments, as well as other facility operations, drives the wide range of innovative products we offer that support your business needs.

When you work with San Jamar, you can tap into a resource that can meet all of your food safety, counter service, dispensing, ice handling and washroom hygiene needs.

We provide a wide variety of smart, cost-efficient counter service products and dispensing systems that allow you to create a neat, organized and clean counter. From single-serve napkin and cup dispensers to condiment organizers, San Jamar products use minimal counter space, save on product costs, and enhance your image.

In the kitchen area, we help ensure it's as safe and efficient as possible. Choose from a wide range of products; from the most-innovative and sanitary cutting boards in the industry to hand safety products that will protect staff from cut and burn injuries. Our products are designed and made to fit the tight space requirements in your store and still meet the most stringent food safety standards and health codes.

A clean washroom makes customers happy. San Jamar has a full selection of products to help maintain a safe and sanitary washroom. Universal towel, tissue and soap dispensers are made of the highest-quality materials and quality-tested to ensure reliable, trouble-free dispensing. You can source towel and tissue separately from the dispenser, freeing you from costly paper contracts. Our patented, state-of-the-art Arriba™ odor control systems provide effortless and efficient air care that enhances the washroom experience for your customers.

SAN JAMAR.

YOUR MOST COMPREHENSIVE, SINGLE-SOURCE FOR SMART, SAFE AND SANITARY PRODUCTS.
