Refrigerated low counters that combine with modular cooking appliances

Refrigerated low counters that combine with modular cooking appliances

GRAM SNACK COUNTERS are the new range of GN 1/1 counters designed for busy caterers who demand quick easy access to chilled and fresh foodstuffs. All counters are supported with Gram's market leading FREE 3 year parts and labour warranty.

The range comprises of 1/1 gastronorm counters, available in two or three sections that offer 2 drawers per section as standard.

Our counters are carefully designed to ensure the optimal circulation of chilled air at all times. Refrigerated air is circulated around the cabinet to

maintain the storage of foodstuffs at the correct temperature. The cabinets are constructed using food safe stainless steel throughout.

The range features a ventilated refrigeration system that offers automatic defrosting and automatic evaporation of any defrost water.
