DIGITAL ID

Welcome
to the future!

Digital.ID™ is the most
advanced operating system
ever installed on an oven.

Performance has no limits
thanks to a fast
and intuitive interface and
to hyperconnection functions
strenghtened by artificial
intelligence.

Do you need to fine-tune
a recipe? You can videocall
our Chefs directly
from the panel of the oven.

Automatic washing

Cleaning speed ovens is not a problem anymore.

With SENSE.Klean the oven is capable of estimating the level of dirt and it suggests the proper washing mode to reduce waste. It does everything by itself!
