Article without food contact

This is to confirm that the article number mentioned in the file name refers to a product which does not get into contact with food during the intended use.

For this reason a certificate of conformity under the legal provisions of the Regulation (EG) no. 10/2011 and the Regulation (EU) no. 1935/2004 is not mandatory for this product.

In case of deviation from the intended application of the product the user has to assure himself of the suitability.

Assheuer + Pott GmbH & Co. KG
