"EVALUATION OF RESULTS

"The results of migratory testing, organoleptic testing, and colorfastness testing are as follows:

Overall migration, sensory/organoleptic, and colorfastness testing were performed on the finished material and met the applicable migration limits and requirements.

Conclusion:

Cambro Manufacturing Company's product has been found to conform to the safety, compositional, and migratory specifications of (EC) No 1935/2004 (EC) No 1935/2004, Commission Regulation (EU) No. 10/2011 (Plastics Directive), and Council of Europe Resolution AP(89) (1), thereby fulfilling the basic requirements for food contact materials in the European Union. "

The declaration is also valid as of the date specified below and it will be replaced when significant changes in the production of the material will cause changes of impacting legal conformity or when legislations specified as above will be modified and updated as to require a new compliance statement.
