

FRIES RANGE

VIZU MINI FRIES COUNTER TOPPER

- The baby brother to the Vizu Mega Fries Topper.
- Similar features in a smaller package.
- Heated above by overhead heat lamps and from beneath the dump area to maintain a consistent temperature.
- To be used with cooked products only.
- Smaller usable chip scoop zone (comparable to Vizu Mega Fries).
- More energy efficient than the Vizu Mega Fries topper.
- Narrow profile when compared with Vizu Mega Fries.
- Suitable for left and right work flow direction.
- Fully welded chip dump area for easy cleaning.
- Removable chip dump divider for easy cleaning.
- Table top version.
