Re: Declaration of Compliance

To all our Customers:

Materials used to produce FIFO Innovations products comply with EU Regulations related to plastic materials intended to come in contact with food. This includes legislation related to (EC) Number 1935/2004 and Regulation (EC) Number 1907/006 Reach Certification.

In addition, we certify that phthalates, Nonylphenols, Bisphenol-A, melamine and polymide are not used in the process nor are they included in the raw materials used to manufacture the FIFO Squeeze Bottle.

Product Name and Description:
