

Tray sealing machine

976722

Seal the most popular tray types on the market with optional dies. Robust and stable stainless steel construction. Equipped with a lid with spring mechanism for easy and safe opening. Welding process is almost effortless; resistance is minimal due to bearings and special sliding material. Pressure absorber ensures a tight seal and prevents packages from crushing. Insulated handle made of damage-resistant plastic. Automatic guillotine with safety knife in specially designed cover; cutting takes place just behind the sealed container in a special strip (air-cut technology). Film feeder with a stretcher prevents the film from curling up. Sealing surface has titanium coating that prevents film sticking and enables a fast seal in 1-3 seconds (depending on film thickness). High power heaters reduce heat-up time. Warm-up time after start-up to full operational mode – approximately 8-10 minutes. Knob with fine adjustment of sealing temperature from 50-210°C. Color-coded LEDs for monitoring appliance performance. Overheat lock, overheat protection, illuminated safety switch. Anti-slip feet ensure stability of the unit during operation and protect the tabletop from scratches. Sealing of trays up to tray size 235x190x(H)155 mm and cups up to (H)170 mm. Maximum film roll size: width 187 mm, ø170 mm – film sold separately (970720). Equipped with aluminium die for 227x178 mm containers (805572), without divider. Detachable power cord, 1.5 m, grounded. Power: 700 W Power supply: 230 V Net weight: 10 kg.

Tools for Chefs

Specifications

Heating element	: Heat element
Voltage	: 230
Cord length (mm)	: 1500
Gradation unit	: °C
Temp range from (°C)	: 50°C
Temp range to (°C)	: 210°C
Unit temperature	: Celsius
Usage area	: Indoor, Kitchen
Protections	: Thermal cutout, Overheat protection
Electrician needed	: No

Packed per	: 1
Length (mm)	: 247
Width (mm)	: 637
Height (mm)	: 258
Weight of item (kg)	: 10
Power (input) (W)	: 700
Control panel	: Analog
Drain tap	: No
Programmable	: No
Measurements	: 247x637x(H)258

Transport specifications

EAN	: 8711369976722
Gross weight (kg)	: 12.35
Net weight (kg)	: 10.21
Intrastat code	: 84198180
Sales units per pallet	: 15
