

DECLARATION OF CONFORMITY No. 14/2017

1. Producer of the product:

2. Product

Baking - flat plates, baguette trays, tins, tins-sets, proofing trays according catalog or customer orders

3 Product code

Without codes BUF 001/14 – BUF 016/14

4. Purpose and scope of application

Baking, cooling and display of bread, a product intended for direct contact with food

5. Technical specification:

NPD (not subject to directives and harmonized standards)

6. Declared technical features of the product:

No	technical details	declared value
1	material	- aluminum type 1050A; 3003; 3004; 5754 - alusteel type DX51D + AS120-A-O - bluesteel DC04BS AM FCE - stainless steel type 1.4301; 1.4016; 1.4404; 1.4509
2	surface	perfo and non-perfo
3	non-stick coating	with and without non-stick coating: PFA; PTFE; silicon; resin-silicon

7. Name and number of the accredited certification unit or laboratory and the certificate number or report number of test if above unit was involved in the conformity assessment system

(NPD - not subject to directives and harmonized standards)

- ▲ **factory quality control**
- ▲ **accuracy of execution: according to DIN ISO 2768 - m, tolerances of linear dimensions, according to PN-EN ISO 13920: 2000, general tolerances for welded constructions.**
- ▲ **the manufacturer confirms that the mentioned product has been made in accordance to technical documentation / drawing and customer requirements**
- ▲ **the product has been tested and checked in terms of the quality of workmanship and allow onto the market.**

We declare with full responsibility that the products meet the requirements of Regulation 1935/2004 / EC and are consistent with the declared features in pos. 6.
