Declaration of Conformity Stelton A/S

Declaration of compliance regarding products in Stelton A/S' product program, which falls under the legislation of food contact materials

Name: Stelton A/S.
Adress: Christianshavns Kanal 4
Zip Code/City: 1406 Copenhagen K
Country: Denmark

Stelton A/S declares that the following product and information comply with the European regulations for the import of food contact materials. Regulation (EC) No 1935/2004; Regulation (EC) No. 10/2011; Regulation (EC) No. 2023/2006; Danish regulation BEK nr. 681 of 25/05/2020; Regulation (EC) No. 284/2011

1. The declaration of compliance concerns the following product:

Technical data

SKU: 2100-1
EAN: 5709846031043
Measurements: 11.5 cm x 42 cm x 22 cm
Material: Stainless steel, PET plastic, ABS plastic
Pre-pack: 1
Designer: Søren Refsgaard
Design family: Classic

2. We declare that the product is suitable for direct contact with foodstuffs with reference to Regulation (EC) No. 10/2011, Annex 3 – Food simulants (only concerning plastic components).

Aqueous foodstuffs: True

Acidic foodstuffs: False

Spirituos foodstuffs: False

Fatty/Oily foodstuffs: False

Dried foodstuffs: False

3. The material or item is suitable for use under the below-described conditions for the above-mentioned types of foodstuffs.

Test Temperature: 40 °C

Ovenproof: False

Dish Washer: False

Deep Freezer: False

Microwave Oven: False

4. The suitability of the material is based upon analysis of the migration of specific substances from the material to the foodstuff.

5. Stelton A/S has a tracking system for materials and items in compliance with article 17 in Regulation (EC) No 1935/2004.

6. As required by Regulation (EC) No 1935/2004 (article 16), Appropriate documentation shall be available to demonstrate such compliance. That documentation shall be made available to the competent authorities on demand.

7. The materials are manufactured in compliance with good manufacturing process (GMP) as required by Regulation (EC) No 2023/2006 for groups of materials and articles intended to come into contact with food listed in Annex I to Regulation (EC) No 1935/2004 and combinations of those materials and articles or recycled materials and articles used in those materials and articles.

8. Test reports will be made available to the competent authorities on demand.

9. The materials used in the above-described product, do not contain any substances with a specific migration limit or dual-use materials.

10. This declaration of compliance applies to future deliveries and will be updated when:

- There are changes to the current legislation
- New scientific data is generated, which affects the current use
- There is a change to the composition of the material or item (The supplier is required to orientate Stelton A/S when this occurs)
